

WILLIAM ROSS STATE HIGH SCHOOL IS A UNIFORM SCHOOL

We believe that the correct wearing of the uniform assists students to identify with their school. This encourages good, positive attitudes, which flow over into the learning area. The proud wearing of the school uniform adds much to the school tone. The William Ross State High School Student Dress Code has been drawn up and endorsed by parents, students and teachers. Every effort has been made to ensure the uniform is as inexpensive as possible, modest and dignified, practical and popular with students. Moreover, it is important to realise that our uniform code is a vital facet of the education strategy of the school. At William Ross, we value neat, tidy, dignified personal presentation, which will prepare students for the workforce and develop pride in being part of a team.

SHOES

Education Department and Workplace Health and Safety instructions clearly state that students' footwear must provide adequate protection and cover the entire feet. The only acceptable footwear is a fully enclosed black leather or vinyl shoe with black laces. **Shoes with mesh, coloured soles and logos are not acceptable.**

JEWELLERY

Boys and girls are permitted to wear a watch, plain bracelet and two pairs of sleeper earrings or two pairs of plain studs if these are necessary, one plain chain necklace and a plain ring. No other form of jewellery or adornment is to be worn. Facial piercings and spacers, of any colour, including clear ones **are NOT** to be worn at all.

PARENTS AND CITIZENS ASSOCIATION SUPPORT

The **William Ross State High School Parents & Citizens Association** has resolved that it supports a mandatory student dress code for William Ross State High School students because it believes that the mandated student dress code promotes the objectives of the Education (General Provisions) Act 2006.

The William Ross State High School expectations of **'Being RESPECTFUL, Being ENGAGED and Being SAFE'** are modelled through the neat personal presentation of our school uniform.

NON-COMPLIANCE WITH THE CODE

A number of approaches may be employed by school staff in the event that students are noncompliant with the school's mandatory Student Dress Code. These approaches will be compliant with the Education (General Provisions) Act 2006.

Approaches may include:

- Imposing a penalty such as a detention. This detention may be for a 20 minute period during a break or for 30 minutes after school;
- Preventing the student from taking part in a school event outside of the school; or
- Preventing the student from participating in a school activity that is not part of the essential educational program of the school.

If your child for any reason is not wearing a compliant uniform, the parent or caregiver must provide a written note as to why this is the case.
